GENERAL REMARKS:

During the year the Imported Food Regulations became operative and in accordance with Ministerial direction arrangements have been made with the Customs and Excise authority defining the imported food which should be examined. A large consignment of Grapefruit Juice was condemned during the year arising from damage during transit and other items of food stuff have been inspected on the request of the Customs and Excise Officer.

17th July, 1969.

John D. Kershaw, M.D., D.P.H.,
Port Medical Officer of Health
